Join us for an evening of sharing and celebrating the many cultures that make up our school community.

## HOST A COUNTRY:

**Deadline for hosting a table is Monday, October 21, 2024**

Share your culture and traditions with our community! Families are invited to host a country by setting up a booth that will showcase educational, culinary or arts and crafts that our students can enjoy. What can you share? We welcome all ideas! In past events, families have shared travel brochures, books, artworks, music, video, traditional clothing, toys and home decorations.
