Volunteer Opportunity

Good news – we still have a few spots available to volunteer at “recess runs” to help kids get ready for the HOH 5k between now and May 6th!

On Saturday, May 6, District 28 PTO Council will be hosting their annual scholarship fundraiser, the HOH 5K Run. Proceeds from the event provide scholarship money to GBN seniors who attended D28 schools. This event is open to participants of all ages.

In order to get our Meadowbrook kids ready to run, we’ve held “training runs” at recess. This year, we will have runs on Tuesdays and Thursdays. In order to “run” this program, we need some extra hands. Sign up [here](#) to help with the fun runs at recess, and sign up [here](#) to register for the race!
