

PTO News & Notes

PTO Exec Board Positions

Although this year is just underway, the PTO is planning for next school year as several positions on the exec board are opening up, including the President role. If you're interested in this role, you can start shadowing outgoing President Kathy McNamara later this year. Email klemcnamara@gmail.com with any questions!

Shout-outs!

Thank you to **Kerry Green** for organizing teacher meals! The PTO purchased dinners from Sunset and Eataco for all teachers last week during conferences. And a heartfelt thank you to **everyone** who ordered fall treats. We sold over 500 bundtlets, including enough "Treat the Teacher" donations to treat all teachers and staff. Treats will be sent home with students on Oct. 28.

Thanks to all the volunteers, who have delivered signs to **55** students so far this school year! We appreciate you!
